Dry Lakes Racers Australia

UHF Radios

Blue Bag – New Head Sets (Start line)

Green bag – Old Head Sets (Timing Van)

DLRA Channel 1	Main timed track channel (Repeater channel to give starter track 1 handheld and others, on this channel, good coverage. Entire length of MAIN track due to repeater)
DLRA Channel 2	Track 2 (Repeater channel to give starter track 2 handheld and others, on this channel, good coverage. Entire competition area due to repeater)
DLRA Channel 3	Emergency "Oh Sh!t" channel (No repeater best used with 25watt radios)
